Dear Korean War Veteran Supporters:

Thank you for this opportunity to welcome my fellow Korean War veterans, your family members and friends. In my view, war is an option of last resort and our ability to successfully prosecute a war depends on a prepared military and supportive public. Let us never forget the sacrifices that were made in Korea and how they continue to make the world a better place for all of mankind.

Some have identified the Korean War as the forgotten war. I disagree. The memory of the Korean War is very much alive and well and the Republic of Korea continues to be a devoted friend to America.

Sincerely,

HOWARD COBLE  
Member of Congress
